Dear Parents of Title I students:

North Huron Schools is a Schoolwide Title I school. This means that our district receives monies from the state and federal government. The programs are designed to address the needs of all students, but particularly the needs of low achieving children and those at risk of not meeting the State student academic standards. If your child has worked with one of our highly qualified instructional paraprofessionals in the past, (Chris Wisneski, Marcy Boshart, Theresa Elliott, Lynn Martin, or Nancy Empkie) they are considered Title I students. As a school district we are required to answer any questions you may have concerning Title I and to assist you as parents with any needs you may have.

On Wednesday, September 8, 2010, Title I will be holding its annual Planning Meeting for the 2010-2011 school year. The purpose of this meeting is to review the current Title I program and to gather parent input concerning the planning and assessment of North Huron Schools' Title I program.

You are invited to be a part of the planning process. There will be two meetings on September 8, one starting at 1:00 p.m. and the second starting at 6:30 p.m. immediately following the elementary open house. Each planning meeting lasts about 1 hour and will be held in the Media Center at North Huron Schools. You do not have to attend both meetings; the second one is just a repeat meeting.

See you then,

**Robin Phillips**

Title I Director
